Hi I was checking to see if you had found any answers on whether you had found out about the two witnesses testifying?

I do not have the answer. Ed will answer that question when we meet if you have figured out when you can come to Billings.

Yes we do. It's just making sure everyone can take leave and have babysitters for that day. We do live an almost 5 hour drive away.

I know where you live, I'm just checking so that I can block out time on Ed and my calendar. I don't want you all to make arrangements and then something else get scheduled. Please let me know the day and tentative time and I will block out an hour.
